

# DO WHAT YOU WANT TO

## L I G H T H O U S E W O R S H I P

Key = ? (Male Lead) & D (Female Lead) Tempo = 114bpm

### V1:

                  D  
It's Your heart  
  
                                  Bm  
We're searching for  
  
                  A                                  Gsus2  
We want You and nothing more  
  
                  D                                  Bm  
Let Your glory fill this place  
  
                  A                                  Gsus2  
We're alive in Your presence

### CH:

D                  Em7  
We surrender all to You  
Bm  
Do what You want to,  
Gsus2  
Do what You want to  
D                  Em7  
God we long to see You move  
Bm  
Do what you want to,  
Gsus2  
Do what You want to

### V2:

                  D                                  Bm  
We are standing in Your light  
  
                  A                                  Gsus2  
And our hearts are open wide  
  
                  D                                  Bm  
Let us see more than before  
  
                  A                                  Gsus2  
Lord, come have your way here

### MIDDLE 8:

A          Bm  
  
                  G                  D/F#  
Have your way, here  
  
                  A  
In our hearts, in our lives,  
  
                  Bm  
in this place,  
  
G                                  D/F#  
                  have your way

### BR:

A                  Bm          G  
All consuming fire fa---ll,  
                  D/F#  
Fall on us
